With salvation as the ultimate goal, Kolbe Academy's educational programs allow you to tailor the formation of each child in the Catholic tradition, with a classical approach.

Kolbe Academy Core Curriculum

The Kolbe Core curriculum includes many great works of literature, poems, and art and music offerings.

Partner with us to provide your children with an education that is grounded in the Incarnational message, immersed in beauty, truth, and goodness, and a preparation for the classical texts in high school.

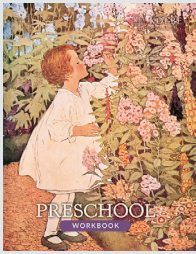

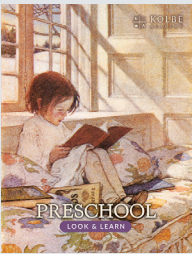

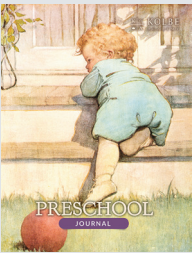

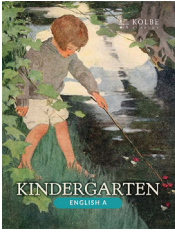

Check out our online course catalog for many other great course offerings. All the books can be purchased from our bookstore.
